THE PURSUIT OF A BRIGHTER FUTURE

At Climax Tours, we like to see ourselves not as a tour company but as guides into the essential and the unknown. That is why our service is in constant pursuit of transforming the child's mind employing sojourns outside the usual to achieving this.

Developing a child's cognitive capacity in the 21st century relies hugely on complimentary engagement outside the classroom. With our wealth of experience in the informal education and tourism industry, we hope that together we can serve the children with a unique blend of fun, educative, interactive and groundbreaking ideas.

We are so excited about this summer camp and we look forward to the positive results it will yield in the lives of the children now and in the near future.

THE IDEA

The whole idea of our **Free To Dream** summer camp is to bring together students from various junior and senior secondary schools in Lagos and all over Nigeria with talent, drive, energy, ideas and big dreams that will someday make a meaningful impact in the society.

We look forward to having students that are willing to dream and also share their dreams. We believe that being a part of this summer camp will help students;

- Hone their abilities to think critically and flexibly.
- Engage productively with a diverse group of peers and like minds.
- Explore new and existing ideas.
- Meet distinguished speakers from various fields and learn from them.
- Develop key communications skills and also have a fun while learning
- Cultivate the habit of writing down their dreams

OUR LINE UP OF NORM-BREAKING SPEAKERS
